James,

Thanks for the case notes - I just got them today. However, I still need a copy of your c.v. to turn over to the attorney. Would you please email it to me or fax to my attention at 781-599-2368? Thanks again,

Susan Dolhun

Hi James,

I am going to send you a summons for a trial in Lynn DC on 1/19/10 for phone standby only. Defendant is [REDACTED]  
[REDACTED] The lab numbers are [REDACTED] Once you receive the summons, would you please send me a copy of your c.v. and case notes? I will note these requests on the summons along with the lab numbers. What is the fax number to the Amberst lab? Please advise.

Thanks,

Susan Dolhun

Hi Susan,

I mailed out the discovery packets you requested. In regarding this case in particular with sample numbers [REDACTED] and [REDACTED] I analyzed them but, sample numbers [REDACTED] was analyzed by another chemist that is not at my lab in Jamaica Plain. The chemist's name is James Hanchett who is at the Amherst lab and he did not receive a subpoena regarding this case plus, they send out their own discovery packets. Please inform him about this and your requests.

Thank you,

Daniela Frasca
